

Isaiah 24-27 Danger & Rescue

You don't appreciate the greatness of the rescue until you appreciate the graveness of the danger

Twin themes: Judgement and Salvation

The great danger

Ch.24 – the earth under God's judgement

- Traded in the everlasting covenant
 - Noah: **Genesis 9:16**
 - Abraham: Gen 17:7
 - David: 2 Samuel 23:5
- The earth is feeling the full force of God's anger

The Great Rescue

Ch. 25 Praise – salvation from death and destruction

Ch. 26 Confidence and excitement about the new life

Conclusions
