

Luke 13:22-30

A good question with a shocking answer

Jesus met, spoke, healed and fed thousands of Israelites but...

A remnant throughout their history.

Yes only a few will be saved! Many will be left outside!

Agonizomai- fight to enter the kingdom of God

Against ourselves. Against the things of this world.

Don't stand still on the broad way.

We don't strive to earn God's love we strive because we are loved already.

Eating drinking and hearing Jesus is not enough.

The real question- Does Jesus know you and where you are from?
