Colossians 3:12-17

Living for God

- 12 Who chose the church members?
What behaviours should they adopt?
- 13 How much should I forgive?
How much have I been forgiven?
- 14 What 'cement's these behaviours?
- 15 Which members were called to peace?
Should I be thankful?
- 16 Why should I remember God's word?
- 17 Who should get the glory when I behave God's way?

1 John 4:7-21

Loving for God

Where do we see true love?
How did God show his love?

Why did Jesus come?

How should I respond to God's love for me?

Should I be scared of Judgement Day?

Is there a limit to who I should love in a Godly way.
