

Daniel 5 The scales don't lie!

Have you ever had a public weigh in?

The writing is on the wall

Partying with the gods

Call Daniel!!! (forgot God)

The meaning is clear

pride and humility

honour and dishonour

- Mene – numbered: numbered your days, your times up
- Tekel – weighed on the scales and found wanting
- Parsin – Kingdom divided, given to Medes and Persians

It's time to weigh in

God judges

How do you get to make the correct weight?

Phil 3:7-11

- lose everything
- need to be found in him
