

Rev 4 – 5 The Vision of God and his Church

What sort of visions motivate you?

Chapter 2 & 3: Good, bad, ugly of the Churches in 1st century

The vision of God's Glory

1 throne, 24 elders, 7 Spirits, 4 creatures

The most magnificent thing in heaven is God

The vision of the Lamb

The Lamb is worthy

- blood purchased people for God
 - every tribe and language and people and nation

The vision of God's Church

God's people from every corner of the globe, from every people group, gathered before God's throne to glorify God

The vision that motivates us

1. To value God's Church
2. To reach out to all the nations

Will you...

- let this vision fade from your mind
- keep this vision of God's Kingdom clear in your mind
